

**Epic Portals** are a collection of fiber optics and imagery for any setting that needs that extra edge. Powered with **ALL NEW** Epic Stars with **X2 Technology**

## OPEN UP HORIZONS WITH EPIC PORTALS.

Framed image windows using our FiberGlow™ system add depth and intrigue to any room.

**Epic Portals** are ideal in themed environments for commercial, hospitality or residential applications. These Portals invigorate dead space in a room creating an experience for all who enter.

**NEW SCENES AND FRAME DESIGNS COMING SOON!**
